

# Bevan Brittan Insurance Team

Bevan Brittan has a team dedicated to handling claims for buildings and contents insurers. We deal with a wide range of injury claims under the personal liability section of these policies, ranging from lower-value slip, trip and dog bite claims, up to catastrophic head and spinal injury cases. We also handle third party property damage claims involving issues such as fire/explosion damage, escape of water, and Party Wall Act disputes.

In addition we deal with a large number of policy coverage disputes under the building and contents policy sections, including assisting insurer clients with cases where complaints have been made by the policy holder to the Financial Ombudsman Service.
